Mr. Thoms:

On behalf of the Ralston Town Council and Residents, I would like to send a heartfelt THANK YOU to Avem Health Partners for your generous donation of bottled water to our community during our time of need.

As a result of your donation, we were able to hand out cases of water to our residents while our water system was being repaired. The recipients shared gratitude for being able to have water while our system was in dis-repair.

It is the generous support of neighbors like Avem Health Partners that makes our communities thrive, and a great place to call home.

Thank you again for your continued support.
